AN AUCTION SALE IS NOT AN APPROVAL SALE

TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgment as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds. $1\frac{1}{2}\%$ per month service charge will be added to all bids delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

Although silver coins have been made in China only since the 1830's, the metal itself has been a medium of exchange there for several centuries. Cast into ingots of recognized weight, ranging from fractions to multiples of the tael (equal to about 1½ ounces, avoirdupois), silver was used to make large purchases, pay debts and transfer funds. Countermarks on the smooth surface of the kettledrum or shoe-shaped pieces attest to the fineness of the silver and usually indicate the banking or exchange house that issued them.

CHINESE "FANTASY" COINS

Due to the chaotic nature of government in China thruout most of the 19th Century, and especially the lack of a central issuing authority, there exist multitudes of large ornate silver "Crowns" minted in various Provinces of this vast land. Although airily dismissed by Kann as "fantasies" there is little doubt that many actually circulated, and all are avidly sought after by collectors. Most are thoroughly catalogued by Coole.

END OF SALE — THANK YOU

DON'T BID IN THE DARK

If buying at auction is new to you

If you are unsure of what to bid

If your bids are generally unsuccessful

If you would like advice in bidding

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. OF COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.
